- February is registration month. If you are registering a new student with the HRCE for the 2025-2026 school year, we ask that you have this done by February 28<sup>th</sup> to help us have appropriate staffing in place for next year.

As the winter weather continues, we ask that you ensure that students are coming to school each day dressed to go outside for recess and lunch. Time playing outside is very important and we go outside except in extreme weather/temperatures.
