

Good afternoon Sunnyside families;

Today we had our lockdown drill at both sites. Our students did a great job during the drill, and they were reminded that they were safe, and that it was only a practice. This was our last lockdown drill of the year. Starting in April, we will be doing 3 more monthly fire drills.

We are sending this message out mid-week for 2 important reasons. First, we have an exciting event planned for Friday of this week at each site, and second, please see the attached poster from the Home and School Association. We are still looking for some volunteers to help with our new constitution. You do not have to attend HSA meetings to be part of this sub-committee.

❄️ WINTER OLYMPICS FUN DAY! ❄️

FRIDAY, FEBRUARY 20, 2026

We're excited to invite students to our Winter Olympics — an outdoor, choice-based festival full of snow challenges, creative builds, animal-inspired movement, teamwork games, and sensory activities! Students will move between stations for up to an hour, choosing what feels fun for them.

Dress for the weather: warm coat, hat, mittens/gloves, snow pants, and waterproof boots.

Show your team spirit! Students can express themselves with school colors, fun accessories, matching with friends, or anything that makes them feel part of the Olympic fun.

Fort Sackville will be participating between recess and lunch, and Eaglewood will be playing between 1:15-2:15.

We are planning to provide hot chocolate to all students who would like to have one during the event. Please reach out to Mme Thompson (cthompson@hrce.ca) or Ms. Michelle (michelle.harley@hrce.ca) if this is a concern for your child.
